n°3/2023

Dear parents,

We are back with a new layout for the newsletter to make it more user-friendly and easier to go through for you !

We hope this layout will make parents want to read and learn more about our what is going on in the APEEE !

Another Year Another AGM : Meet Your New Board !

It was the first in situ AGM since 2020 and COVID. We would like to **thank all the members present for participating and making the AGM 2022**. New members were elected and all the **resolutions, accounts and reports** presented were approved and are available on the APEEE website.

Following the AGM, the **Board has met twice**. Once with the outgoing members to **introduce the new comers to the work of the APEEE Board**, its working groups, the school structure and to give them the opportunity to ask questions and mid-February, for a second time, to **elect its President (Wolfgang Münch), Vice Presidents for Administrative Affairs (Eleonora Apponi-Battini) and for Pedagogical Affairs (David Zelinger) the services working groups coordinators, notably the Transport service (Monika Szulyovszky), Canteen service (Peter Edlind) and Extracurricular Activities service (Francesca Tudini)** and establish the APEEE Board Structure, which will be published as soon as possible. In the meantime, do not hesitate to have a look at the **members of the Board**.

Survey: Tell Us More !

A new 'administrative' year, means new objectives & new projects ! We wish to know more on what you would like to hear about in our newsletter. We invite all parents to **complete this survey before 3rd March 2023**.

Please note, we will try to take into consideration as many requests as possible when and where feasible.

People In Focus : The Transport Team

As of February 2023, we wish to focus on key people or teams and give them a deserved highlight in our newsletters. Today, we focus on the Transport Service, core activity of the APEEE, with **130 buses** and an average of 23 000 school bus journeys each school year, which is run by an administrative **team of 6 people**, including a manager, the famous Mr Nguyen, who has been with the APEEE for 15 years ! The team is **on site as of 6h45** for the arrival operations, cancelled buses, unavailable supervisors, to answer calls, manage delays, plan bus supervision, hire new supervisors, etc. They also run the departures (two at 15h30 & one at 16h20) and the topics linked to them: creation/modification of routes and stops, wrong bus, accompany a friend, exceptional requests, lost or forgotten belongings and more.

The team is always available during opening hours and tries to

reply as quickly as possible to all the requests received by email or telephone.

In the coming weeks and months, a part of the newsletters will focus on different school community stakeholders, inside and outside the APEEE. Stay tuned for our next one !
